## Summary/Action Minutes

Supervisor Haggerty called the meeting to order

### **I. Action Item: Tobacco Retail Licensing (TRL) Proposed Ordinance** [Attachment](#)

Paul Cummings, MPH, Director, Tobacco Control Program, Public Health Department and Rachel Gratz-Lazarus, MPH, Senior Program Specialist, Tobacco Control Program, Public Health Department presented a PowerPoint presentation on the Proposed Tobacco Retail Licensing Ordinance.

The purpose of the proposed Tobacco Retail Licensing (TRL) Ordinance is to reduce youth access to tobacco, and to limit negative public health effects of tobacco use. It would require businesses in Unincorporated Alameda County that sell tobacco to obtain a local license annually in order to sell tobacco. It provides an enforcement mechanism and holds retailers accountable to comply with local requirements, as well as state and federal tobacco laws.

Proposed TRL ordinance requirements:

- No selling tobacco without a valid local TRL
- Prohibits the sale of all flavored tobacco products
  - Includes menthol cigarettes & flavored electronic smoking devices
- Creates pricing requirements for the sale of tobacco:
  - Establishes a minimum sales price of \$8.00 per package of cigarettes, little cigars and single large cigars
  - Establishes a minimum package size of at least 20 little cigars
- Creates tobacco retailing density requirements:
  - Limits the total number of tobacco retail licenses to one per 2,500 residents
  - Prohibits the sale of tobacco (new retailers) within 1,000 feet of youth populated areas and within 500 feet of existing tobacco retailers
- Prohibits pharmacies from obtaining a TRL

Penalties

- 1<sup>st</sup> violation – 30 day license suspension
- 2<sup>nd</sup> violation - 90 day license suspension
- 3<sup>rd</sup> violation – 1 year license suspension
- 4<sup>th</sup> violation – license revocation

The Public Health Department requests the support of the Committee to move this ordinance to the full Board of Supervisors for approval and adoption.
