PUBLIC SAFETY REALIGNMENT IN ALAMEDA COUNTY

Public Protection Committee Meeting –
November 14, 2019

Wendy Still, MAS, Chief Probation Officer and
Community Corrections Partnership Executive Committee
Chair

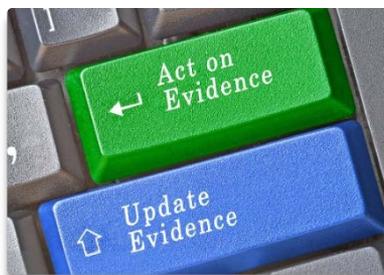

Presenter: Neola Crosby

AB 109 GUIDING PRINCIPLES

Individual Accountability

Continuing the Community Corrections Partnership Executive Committee's (CCPEC's) commitment to individual accountability.

Research-based Efforts & Tracking

Continuing the use of research-indicated efforts to reduce recidivism and tracking/assessing services and outcomes for each individual.

Community Reinvestment & Reducing Recidivism

CCPEC is committed to reducing recidivism through reinvestment in community-based programs that utilize evidenced-based strategies that increase public safety.

AB 109 MAJOR GOALS

Transparent Public Protection

Protect the public through transparent and accountable administration and service:

Activities include staffing and programming in both custody and community settings designed to promote and sustain client rehabilitation.

Effective Transition

Ensure effective and supportive transitions from detention to the community:

Activities include emphasizing and enhancing transition services designed to provide a continuum between in-custody services and support, and their community-based counterparts.

Innovative & Therapeutic Support

Develop innovative services and therapeutic support for clients focused on health, housing, education, and improving access to family sustaining employment and other reentry rehabilitative services:

Activities include, maximizing partnerships with CBOs to deliver behavioral health care, education, housing, employment services, and other transition services known to help reduce client recidivism.
