I. STATEMENT OF WORK

A. BACKGROUND

Under the Older Americans Act (OAA), [Older Americans Act: Overview and Funding | Congress.gov | Library of Congress](#), the Area Agency on Aging (AAA) is responsible for planning and delivering services that help older adults maintain independence, well-being, and dignity. The 2024–2028 Countywide Area Plan (CWAP, [PSA 09-4 Yer Area Plan 2024-28- APPROVED.pdf](#)) for Alameda County identified significant gaps in social participation, with more than 40% of respondents feeling isolated from others or lonely at least one or two days a week and 33% of older adults reporting unmet social needs. OAA Title IIIB Funding supports programs that address these challenges through meaningful socialization, wellness activities, and improved access to resources.

To ensure equitable access to services, the OAA prioritizes individuals with the greatest social and economic need:

1. Greatest Economic Need: Income at or below the federal poverty level, as further defined by state and area plans based on local factors such as geography and living expenses.
2. Greatest Social Need: Noneconomic factors limiting independence or the ability to perform routine daily tasks, including physical or mental disabilities, language barriers, cultural or geographic isolation, and conditions such as housing instability, food insecurity, chronic health issues, or safety concerns.

Considering these factors and our CWAP findings, the following groups of older adults in Alameda County are identified as priority populations for services:

- Adults age 75 and older
 - *Higher risk of isolation and functional decline.*
- Low-income
 - *Defined as living at or below 200% of the federal poverty level.*
- Individuals with functional impairments or disabilities
 - *Includes people with physical or mental impairment that substantially limit one or more major life activities, with particular emphasis on those with limitations in activities of daily living (ADLs) or instrumental activities of daily living (IADLs).*
- Racial or Ethnic minorities
 - *Includes Asian, Hispanic/Latino, Black/African American, Native Hawaiian/Pacific Islander, American Indian/Alaska Native, and Multiracial populations.*
- Individuals with limited English proficiency

- *Includes Chinese/Mandarin, Spanish, Korean, Cantonese, Vietnamese, Farsi/Dari, Cambodian, and Tagalog as 41% of adults in Alameda County have limited English proficiency.*
- Veterans
- Lesbian Gay Bisexual Transgender Queer/Questioning Intersex Asexual/Allied Plus (LGBTQIA+) community.

Targeting Goals

To ensure Senior Center Activities reach the target population, AAA has identified service delivery standards based on the percentage share of the population with each of these factors within each region. For the purposes of AAA, adequately reaching the target populations—as reflected by the proxy factors minority, low-income, age 75+, and functionally impaired or disabled—within each region means serving these groups at higher rates than they appear within their region. Bidders are expected to include methods for exceeding these numbers in their service design.

	Countywide	North	Central	South	East
Age 75+	29%	30%	28%	30%	30%
Low-Income	11%	14%	10%	9%	8%
Functionally Impaired	31%	31%	33%	30%	29%
Minorities	57%	55%	62%	68%	34%

B. INTENT

The Alameda County Social Services Agency (ACSSA), Department of Adult and Aging Services (AAS), and AAA seek qualified organizations to provide inclusive, culturally and linguistically responsive Senior Center Activities for older adults age 60 and older to foster socialization and community, well-being, and resource access. Programs must align with AAA’s Alameda County CWAP and the OAA, prioritizing older adults with the greatest social and economic needs.

The County’s intent is to fund programs that:

- Reduce social isolation, promote wellness, and facilitate meaningful engagement for older adults.
- Reflect the diversity of Alameda County to ensure equitable access for older adults.
- Address priority populations identified in the CWAP, including adults age 75+, low-income seniors, LGBTQIA+ seniors, Veteran seniors, disabled seniors, and those with limited English proficiency.

- Offer adaptable and innovative programming that accommodates diverse interests, schedules, formats (online/in-person), and physical or cognitive abilities.
- Promote lifelong learning, intergenerational interaction, and opportunities for leadership and volunteerism.
- Feature collaborative programming that builds partnerships to broaden reach and maximize impact.
- Utilize community input—such as surveys or focus groups—to shape activities and ensure they meet local needs.

Successful bidders will demonstrate:

- Capacity and experience in delivering inclusive, accessible programming.
- Cultural and linguistic competence to serve diverse communities effectively.
- Fiscal accountability and compliance with all applicable regulations.
- Commitment to collaboration, continuous improvement, and utilization of participant feedback to drive programming.
- Innovative approaches to reduce isolation and enhance engagement.

AAA estimates that a total of \$513,096 will be available for funding Fiscal Year 2026-2027, with \$228,630 from Older Americans Act (OAA) and \$284,466 from County General Funds. Actual awards will be dependent on funding available. The total funding is outlined below:

Funding Source	Anticipated Funding Amounts
OAA Title IIIB	\$228,630
County General Funds	\$284,466
Total	\$513,096

AAA is committed to providing services throughout all regions of the county and establishes guidelines for funding that reflect each region’s population of seniors that are minority, low-income, age 75+, and functionally impaired or disabled. Actual funding amounts may vary depending on the number and quality of bid responses received.

Region	Units Of Service Allocation (Senior Center Activity Hours)	Number of Contracts to Be Awarded
North	10,718	7
Central	5,701	3
South	4,333	1

East	2,052	1
Total	22,804	12

Units of Service Measure: One (1) hour
Annual Countywide Service Goal: 22,804 hours

Geographic Regions

For the purposes of this RFP, we have broken the county into regions as follows:

- **North:** Alameda, Albany, Berkeley, Emeryville, Oakland, Piedmont
- **Central:** Ashland, Castro Valley, Cherryland, Fairview, Hayward, San Leandro, San Lorenzo
- **South:** Fremont, Newark, Union City
- **East:** Dublin, Livermore, Pleasanton, Sunol

Contracts will be awarded for an initial one (1) -year term (July 1, 2026 – June 30, 2027), with up to three optional one (1) -year renewals based on funding availability and performance. Both large regional providers and smaller community-based organizations are encouraged to apply, as well as organizations that specialize in cultural or identity-based programs that address the needs of the target populations defined in this RFP. Bidders will propose the region(s) to be served and the number of service units to be provided; the unit measure for Senior Center Activities is one hour.

C. SCOPE

AAA seeks qualified organizations to provide community-based Senior Center Activities that promote social connection, wellness, and engagement for older adults. These programs should help participants maintain well-being, independence, and dignity through meaningful opportunities for social interaction, recreation, education, and leadership development. Activities should reduce isolation, encourage active lifestyles, and support lifelong learning and volunteer involvement.

Eligible Activities

Programs may include, but are not limited to:

- Recreation and Arts: Arts and crafts, music, dance, film screenings, cultural activities, book clubs, game hours
- Physical Fitness and Wellness: Exercise classes, walking groups, yoga, hiking, meditation, gardening
- Educational Opportunities: Lifelong learning workshops, language exchanges, leadership development, employment resources and support

- **Community Engagement:** Volunteer programs, intergenerational activities, civic engagement events
- **Digital Literacy and Technology Support:** Computer classes, smartphone tutorials, security awareness
- **Healthy Living Strategies:** Health screenings, mental health awareness programming, health insurance benefits counseling, nutritious cooking classes
- **Resource Education and Emergency Preparedness:** Benefits education, know-your-rights information sessions, retirement planning workshops, disaster readiness, crime prevention

Unallowable Costs: Entertainment-related expenses such as tickets, meals, travel, lodging, and gratuities.

All proposed activities must be inclusive, culturally and linguistically appropriate, and aligned with OAA and CWAP commitments to equity and to supporting older adults in living healthy, engaged, and independent lives.

To ensure consistency and quality of service, the following minimum requirements apply:

Operational Requirements: Bidders must be able to provide twenty (20) hours of programming per week and operate at a fixed location for a minimum of three (3) days a week. Bidders operating multiple sites will be considered qualified if the aggregate number of programming hours and operating days meet this requirement, even if individual sites do not meet these specifications. Bidders must offer activities on a consistent schedule that ensures frequent and equitable access for older adults. Hours may include extended hours, weekend programming, or virtual sessions.

Attendance: Average daily attendance must be at least 15 unduplicated seniors participating in services and programs.

Information and Assistance: Centers must provide basic information assistance services to participants and caregivers, such as resource lists and referral information for agencies that can provide additional support.

Quarterly Workshops: Centers must conduct workshops at least quarterly on topics such as energy assistance, safety/crime prevention for seniors, public benefits, elder abuse prevention, affordable housing, and citizenship classes for immigrant-serving programs.

Communication: Centers must publish monthly newsletters or calendars, advertising programs and events of interest to seniors in languages prevalent in the service area.

Meal Program: The OAA encourages the concentration of resources and services to create a coordinated and comprehensive system of services for older adults. This system should facilitate accessibility to supportive services and nutrition services while maximizing efficiency in service provision (i.e., increasing the number of older adults participating in senior centers). Proposals that include the capacity to provide an onsite lunchtime meal option will be prioritized. The meal can either be provided directly by the bidder or via partnership with a congregate meal provider.

D. DELIVERABLES / REPORTS / RESULT BASED ACCOUNTABILITY

Contractors will submit monthly, data reports by the 10th calendar day of the month following the end of the month of service. Each program is required to maintain documentation for all program and client information submitted to AAA. Programs must submit Management Information System (MIS) and client data in a manner that conforms to the format required by the AAA, and meets the requirements detailed in Exhibit D of this RFP. Contractor may be required to enter participant and service unit data into GetCare or other software or web-based applications.

ACSSA has adopted the Results-Based Accountability (RBA) framework to strengthen and increase data collection and improve contract performance. The RBA framework establishes performance measures which will allow the Agency to track the positive impact and benefits of services for the target population by focusing on three critical questions: How much work was done? How well was it done? Is anyone better off?

The RBA framework establishes a partnership between the service provider and ACSSA. Contractors will work with their program specialist to establish performance measures and target goals. Sample performance measures and proposed target goals are described below.

1. How much was done?

a. Performance Measure:

Number of senior center activity hours performed.

b. Target goal:

Contractor will meet 95% of its contracted Measure of Service Units (hours).

2. How well was it done?

a. Performance measure:

% of older adults that participated in Senior Center Activities who report satisfaction with the quality of service(s) provided; the data gathered relates to satisfaction, timeliness, accessibility, accuracy, responsiveness, etc.

- b. Target goal:
90% of clients are satisfied with the activities offered.
- 3. Is anyone better off?
 - a. Performance measure:
% of older adults that received Senior Center Activities services experienced reduced levels of social isolation.
 - b. Target goal:
90% of older adults that received Senior Center Activities services report experiencing reduced levels of social isolation/improved social connectedness.

E. NETWORKING/BIDDERS CONFERENCES

- 1. The Bidders Conference(s) held on the date(s) specified in the Calendar of Events will be conducted online via Microsoft Teams. Bidders can participate via a computer with a stable internet connection (the recommended Bandwidth is 512kbps) by clicking on the meeting links provided in the Calendar of Events. **Please RSVP your attendance to kiesha.douglas@acgov.org.**
- 2. To participate via phone for audio access only, a call-in option is available.
- 3. Information regarding the RFP will be presented during the conference(s). To get the best experience, the County recommends that bidders who participate remotely use equipment with audio output such as speakers, headsets, or a telephone.
- 4. Networking/Bidders conferences will be held to:
 - a. Provide an opportunity for bidders to ask specific questions about the project and request RFP clarification.
 - b. Provide the County with an opportunity to receive feedback regarding the project and RFP.
- 5. Potential bidders are strongly encouraged to attend Networking/Bidders Conference(s) to further facilitate subcontracting relationships. Vendors who attend a Networking/Bidders Conference will be added to the Vendor Bid List. Failure to participate in a Networking/Bidders Conference will in no way relieve the Contractor from furnishing goods and/or services required in accordance

with these specifications, terms and conditions. Attendance at a Networking/Bidders Conference is highly recommended, but is not mandatory.

6. The list of Bidders Conference attendees will be released in a separate document.
7. Questions will be addressed in an RFP Question and Answer (Q&A) Addendum document following the Networking/Bidders conference(s). Should there be a need to amend or revise the RFP, an addendum will be issued following the Networking/Bidders Conferences.
8. In case of conflict between any verbal statements and the written procurement documents, including the RFP and/or Addenda, the written documents will supersede.

II. COUNTY PROCEDURES, TERMS, AND CONDITIONS

F. EVALUATION CRITERIA/SELECTION COMMITTEE

0. **Initial Evaluation (Completeness of Response, Debarment and Suspension, and Minimum Years of Experience Required).** All proposals will first be reviewed to determine if they pass the initial Evaluation Criteria (Section A: Completeness of Response), which are determined on a pass/fail basis.
1. **Evaluation by County Selection Committee.** All proposals that have passed the initial Evaluation Criteria will be evaluated by a County Selection Committee (CSC). The CSC may be composed of County staff and other parties that may have expertise or experience related to the Senior Center Activities that are being procured. The CSC will score the proposals according to the Evaluation Criteria set forth in this RFP. Other than the initial pass/fail Evaluation Criteria, the evaluation of the proposals shall be within the sole judgment and discretion of the CSC.
2. **Unrealistic Bids.** Bidders should bear in mind that any proposal that is unrealistic in terms of the technical or schedule commitments or unrealistically high or low in cost will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of the County's requirements as set forth in this RFP.
3. **Price Discrepancy.** In the case of a discrepancy between the price quoted and the actual cost, the price quoted will be used for evaluation purposes.
4. **Evaluation Criteria Descriptions.** The items listed in the Evaluation Criteria should be considered as minimum requirements. All information contained in a proposal and presented in vendor interviews (if there are interviews) will be

considered during the evaluation process and included in scoring within the appropriate Evaluation Criteria.

5. **Evaluation Scores.** Proposals will be evaluated and scored on the zero to five-point scale within each Evaluation Criteria below, with the exception of Reference Checks. Scores for all Evaluation Criteria (see the section below) will then be added, according to their assigned weight (below), to arrive at a weighted score for each proposal. A proposal with a higher-weighted total will be deemed of higher quality than a proposal with a lesser-weighted total. The preliminary score will be based on the total points, with the exception of points allocated to References.
6. **Shortlist Process.** The evaluation process may include a two-stage approach including a preliminary evaluation of the written proposal and preliminary scoring to develop a shortlist of Bidders that will continue to the final stages of the optional vendor interview and reference checks. The preliminary scoring will be based on the total points, excluding any points allocated to references and optional vendor interview. The Bidders receiving the highest preliminary scores with at least 200 points may advance to the next evaluation phase. All other Bidders will be deemed eliminated from the process. All Bidders will be notified of the shortlist participants; however, the preliminary scores at that time will not be communicated to Bidders.
7. **Reference Checks.** Bidders are to provide a list of five (5) references. Reference points will be given based on our ability to contact three (3) of the five (5) references. References should be able to address and describe their knowledge of your organization's ability to provide the services listed in the RFP. Services or goods provided by Bidder to the references should have similar scope, volume and requirements to those outlined in these specifications, terms and conditions.

Bidders must verify that the contact information for all references provided is current and valid. If a reference cannot be contacted it may affect the qualification and scoring of Bidder's submission.

Bidders are strongly encouraged to notify all references that the County may be contacting them to obtain a reference.

The County may contact some or all of the references provided in order to determine Bidder's performance record on work similar to that described in this request.

8. **Optional Vendor Interviews.** The County may, in its sole discretion, conduct vendor interviews. Should the County opt to conduct a vendor interview, the interview may include responding to standard and specific questions from the CSC regarding the Bidders' proposal. Whether or not a shortlist process is used,

the score of any evaluation criterion below may be revised or informed based on the vendor interview.

9. **Final Score:** The final maximum score for any procurement is 500 points. Proposals will be ranked by their final scores.
 - . Without Vendor Interview. In procurements where there are no vendor interviews, the score received by the evaluation of the written proposal with the references score added will be the final score.
 - a. With Vendor Interview. In procurements where there are vendor interviews, the CSC will consider the interview and may adjust the scores received by the evaluation of the written proposal which, with the reference scores added, will be the final score.

10. **Contact During Evaluation Process.** All contact during the evaluation phase must be through the County of Alameda Social Services Agency Contracts Office only. Bidders shall neither contact nor lobby evaluators during the evaluation process. Attempts by Bidders to contact and/or influence members of the CSC may result in disqualification of Bidders.

11. **Determining Award.** As a result of this RFP, the County intends to award contracts to the highest-ranked bidders, as determined by the combined weight of the Evaluation Criteria, whose response conforms to the RFP and whose bid presents the greatest value to the County considering all Evaluation Criteria. The combined weight of the Evaluation Criteria is greater in importance than the cost in determining the greatest value to the County. The County may award contracts of higher qualitative competence over the lowest priced responses.

12. The zero (0) to five (5) point scale range is defined as follows:

0	Not Acceptable	Non-responsive, fails to meet RFP specifications. The approach has no probability of success. If the unmet specification is a mandatory requirement, this score will result in the disqualification of the proposal.
1	Poor	Below average, falls short of expectations, is substandard to that which is the average or expected norm, has a low probability of success in achieving objectives per RFP.
2	Fair	Has a reasonable probability of success; however, some objectives may not be met.
3	Average	Acceptable and likely to achieve all objectives in a reasonable fashion per RFP specification. This will be the baseline score for each item with adjustments based on the interpretation of the proposal by Evaluation Committee members.

4	Above Average / Good	Better than that which is average or expected as the norm. Excellent probability of success in achieving all objectives of the RFP requirements and expectations.
5	Excellent / Exceptional	Exceeds expectations is very innovative, clearly superior to that which is average or expected as the norm. Excellent probability of success in achieving all objectives and meeting RFP specifications.

13. The Evaluation Criteria and their respective weights are as follows:

	Evaluation Criteria	Weight Points
A.	<p>Completeness of Response: Responses to this RFP must be complete. Responses that do not include the requirements identified within this RFP, Q&A, and all Addenda or do not address each of the items listed below will be considered incomplete, be rated a Fail in the Evaluation Criteria, and receive no further consideration. Failure to meet the Bidder Minimum Qualifications may also be considered an incomplete response and rated as a Fail.</p>	Pass/Fail

G. CONTRACT EVALUATION AND ASSESSMENT

1. During the initial 120-day period of any contract awarded, the County may review the proposal, the contract, any goods or services provided, and/or meet with the Contractor to identify any issues or potential problems.
2. The County reserves the right to determine, at its sole discretion, whether:
 - a. Contractor has complied with all terms of this RFP and the contract; and
 - b. Any problems or potential problems with the proposed goods and/or services were evidenced, which makes it unlikely (even with possible modifications) that such goods and/or services have met or will meet the County requirements.
3. If, as a result of such determination, the County concludes that it is not satisfied with the Contractor’s performance under any awarded contract and/or Contractor’s goods and services as contracted therein, the Contractor may be notified that the contract is being terminated. The Contractor must be responsible for returning County facilities to their original state at no charge to the County. The County will have the right to invite the next qualified Bidder(s) to enter into a contract. The County also reserves the right to re-bid this project

if it is determined to be in its best interest to do so. The County's right to go to the next qualified Bidder(s) and/or rebid is not limited by the award of a contract or the 120-day period.

H. NOTICE OF INTENT TO AWARD

1. At the conclusion of the RFP response evaluation process ("Evaluation Process"), all Bidders will be notified in writing via e-mail of the contract award recommendation, if any, by the Social Services Agency Contracts Office. The document providing this notification is the Notice of Intent to Award.

The Notice of Intent to Award will provide the following information:

- a. The name of the Bidder being recommended for contract award.
- b. The names of all other parties that submitted proposals.
2. At the conclusion of the RFP response evaluation process, debriefings for unsuccessful Bidders may be scheduled and provided, upon written request and will be restricted to discussion of the unsuccessful offeror's bid.
 - a. Under no circumstances will any discussion be conducted with regard to contract negotiations with the successful Bidder.
 - b. Debriefing may include review of successful Bidder's proposal with redactions as appropriate.
3. The submitted proposals shall be made available upon request no later than five (5) calendar days before approval of the award and contract is scheduled to be heard by the Board of Supervisors.

I. BID PROTEST/APPEALS PROCESS

ACSSA prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The following is provided in the event that Bidder wishes to protest the bid process or appeal the intent to award a contract for this project once the Notices of Intent to Award/Non-Award have been issued. Bid protests submitted prior to issuance of the Notices of Intent to Award/Non-Award will not be accepted by the County.

1. Bid protests must be submitted in writing and addressed to the ACSSA Financial Services Director in the letter.
2. The mailing address for submitting a Bid protest is:

3. Any bid protest must be submitted in writing by 5:00 p.m. of the seventh (7th) calendar day following the date of issuance of the Notice of Intent to Award/Non-Award, not the date received by the Bidder.
4. A Bid protest received after 5:00 p.m. is considered received as of the next calendar day. A protest received after 5:00 p.m. on the seventh (7th) calendar day following the date of issuance of the Notice of Intent to Award/Non-Award will not be considered under any circumstances by the Protest Evaluator or their designee.
5. Generally, the County will promptly send an email acknowledging receipt of the protest; it is the responsibility of the protestor to confirm that the protest was timely received.

6. Upon receipt of written protest, the ACSSA Financial Services Director, or their designee, will review and evaluate the protest and issue a written decision. The ACSSA Financial Services Director, may, at their discretion, investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting Bidder and others (as appropriate) to discuss the protest. The decision on the bid protest must be final prior to the Board hearing or ACSSA award date.

A notification of the decision will be communicated by e-mail to the protestor. Notification will be provided to Bidders when a decision has been made on the protest and whether or not the recommendation to the Board of Supervisors or ACSSA in the Notice of Intent to Award/Non-Award will stand.

7. The decision of the ACSSA Financial Services Director on the bid protest may be appealed to the Auditor-Controller's Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak St., Room 249, Oakland, CA, 94612, Email: OCCR@acgov.org , unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Bidder whose Bid is the subject of the protest, all Bidders affected by the ACSSA Financial Services Director's decision on the protest, and the protestor has the right to appeal if they feel the ACSSA Financial Services Director's decision is incorrect. All appeals to the Auditor-Controller's OCCR must be in writing and submitted within seven (7) calendar days following the issuance of the decision by the ACSSA Financial Services Director, not the date received by the Bidder. An appeal received after 5:00 p.m. is considered received as of the next business day.
8. The appeal must specify the decision being appealed and all the facts and circumstances relied upon in support of the appeal.
 - a. In reviewing protest appeals, the OCCR will not re-judge the proposal(s). The appeal to the OCCR must be limited to a review of the procurement process to determine if the contracting department materially erred in following the Bid or, if applicable, County contracting policies or other laws and regulations.
 - b. The appeal to the OCCR must be limited to the grounds raised in the original protest and the decision by the ACSSA Financial Services Director. As such, a Bidder is prohibited from stating new grounds for a Bid protest in its appeal.
 - c. The Auditor's Office may overturn the results of a bid process for ethical violations by Procurement staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.
 - d. The finding of the Auditor-Controller's OCCR is the final step of the appeal process. A copy of the finding of the Auditor-Controller's OCCR will be furnished to the protestor.
 - e. The finding on the appeal must be issued before a recommendation to award the contract is considered and contract awarded by the Board of Supervisors.
9. The procedures and time limits set forth in this section are mandatory and are each Bidder's sole and exclusive remedy in the event of a bid protest. A Bidder's failure to timely complete both the bid protest and appeal procedures will be deemed a failure to exhaust administrative remedies.

Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, will constitute a waiver of any right to further pursue the bid protest, including filing a Government Code Claim or legal proceedings.

Each program is required to maintain documentation for all program and client information submitted to the AAA and to have this documentation available for review during the annual onsite monitoring visit. Programs are expected to make every effort to submit MIS and Client data in a manner that conforms to the format required by the AAA.

All contractors shall maintain accountability of all statistical and financial data in order to document and assure the accuracy of the data presented in the required program and financial reports.

All contractors shall comply with Section 15630 of the Welfare & Institutions Code as it relates to the mandatory and non-mandatory reports of abuse of elders and dependent adults.

ADDITIONAL CONTRACT PROVISIONS – FEDERAL PROVISION

Funds used for payment of this Contract may be from or subject to reimbursement by state and/or federal funds. Some of these funding sources require additional contractual obligations and County and Contractor hereby agree to the following additional terms and conditions. The parties agree to each of these terms for reasons including, but not limited to, meeting all contracting requirements as set forth in 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II. These terms supplement the General Terms and Conditions.

I. General Provisions

- A. **Remedies.** In the event of a breach by Contractor of any term or provision of this Agreement, the County shall have the right to pursue all available remedies at law or equity, including recovery of damages and specific performance of this Agreement. The parties hereto agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by Contractor of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, Contractor shall waive the defense that a remedy at law would be adequate. Except as expressly provided elsewhere in this Agreement, each party's rights and remedies under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to that party.
- B. **Termination.** The County may suspend, terminate, or abandon the execution of any work by the Contractor under this Contract with or without cause at any time upon giving the Contractor prior written notice. In the event that the County should abandon, terminate, or suspend the Contractor's work, the Contractor shall be entitled to payment for services provided hereunder prior to the effective date of said suspension, termination, or abandonment, but in no event shall Contractor be entitled to more than the not to exceed amount of the Contract, or if applicable, the portion of the Contract being terminated.
- C. **Equal Employment Opportunity.** During the performance of this contract, Contractor agrees as follows:
 1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for

employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the labor union or workers' representatives of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965 and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to their books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Contractor and refer the case to the Department of Justice for appropriate legal proceedings.
