

AB 109 Contracts in Development - August 2022

Item	Description/Summary	AB 109 Allocation	Update
Continuous Recruitment			
AC Reentry Housing Vendor Pool	The Housing Vendor Pool will help establish immediate assistance to participants who are homeless or at risk of homelessness. Services available include: housing case management, emergency shelter, transitional housing, assistance securing long-term housing and short-term rental assistance, if needed. Flexibility allows responsiveness to the needs of participants.	Pool of \$15,000,000	Round 5: Three bids were received and are being evaluated.
Submitted to General Services Agency (GSA)			
Cognitive Behavior Intervention Services, Incentives, and Innovation Program (Re-Bid)	Program will be made available to all Realignment eligible individuals to ensure better programming outcomes.	\$ 500,000	GSA is negotiating the contract prior to Board approval.
The Center of Reentry Excellence - CORE (New RFP)	A collaborative, multi-service, one-stop reentry center for adults under the supervision of ACPD. The CORE is a hub designed and dedicated to the reentry success of Alameda County justice involved populations.	\$ 4,000,000	The RFP is being developed with GSA. Scheduled for release in August 2022.
Client Resource Forum Coordinator	Establish CBO-operated Client Resource Forums county-wide. This would fund a CBO who will run meetings within the community for clients to receive information about services, connect with one another, and connect with other providers.	\$ 250,000	The RFP is being developed with GSA. Scheduled for release in August 2022.
Early Intervention Court (New RFP)	EIC is a non-statutory, "pre" and "post" plea program that redirects participants from the traditional course of the criminal justice system. The EIC embraces the principles of realignment by offering participants options to avoid a felony conviction through successful completion of a series of programs. The aim of EIC is to reduce the rate of recidivism by providing clients with the tools, services and support they need.	\$ 960,000	The RFP is being developed with GSA. Scheduled for release in August 2022.
Education (New RFP)	Provides high school diploma, GED, or HiSet. Career training, English as a second language, and other academic support and resources, as well as, transitional services and college tuition assistance.	\$ 2,000,000	The RFP is being developed with GSA.
Family Reunification: Legal & Therapy Services (Re-Bid)	Therapy & legal services in Support of Family Reunification Programs are evidence-based programs that work with current and formerly incarcerated individuals to promote successful reunification with family members and/or support systems.	\$ 1,000,000	The RFP is being developed with GSA.
Leadership & Entrepreneurship	Funding for smaller organizations owned and operated by formerly incarcerated to ensure that when additional funding is released, the RFP targets the formerly incarcerated who own and/or operate businesses.	\$ 1,000,000	The RFP is being developed with GSA.
For Us By Us (New RFP)	The FUBU program provides peer support and navigation to reconnect disengaged clients, enhance clients' intrinsic motivation and promote clients' successful reentry. Contractors assist with case management and connect clients to services such as employment, education, and substance use interventions. The program links clients to Peer Coaching and Mentoring, Leadership Development opportunities, Family Reunification, Life Skills Training and Cognitive Behavioral Therapy.	\$ 1,300,000	The RFP is being developed with GSA.
Clinics for Reentry Legal Barrier Removal	Legal assistance can play a critical role in addressing barriers faced by Realignment clients. This RFP will address those barriers by providing wrap-around legal services to Realignment eligible clients and their families across a wide array of practice areas.	\$ 250,000	The RFP is being developed with GSA.

AB 109 Contracts in Development - August 2022

Item	Description/Summary	AB 109 Allocation	Update
In Development			
Kinship Reentry Workforce	In many cases, reentering individuals require more personal support from their families and peers to connect and remain connected to stabilization services. The Probation Department recognizes that there are significant challenges for families and peers who provide support to our clients including enduring hardships themselves while lending this support. Helping the reentry population be successful requires training and financial support be provided to family members and peers who support them.	\$ 250,000	SOW is being developed.
Employment (New RFP)	Employment services	\$ 6,000,000	SOW is being developed.
Career Technical Education (New RFP)	CTE provides clients with the academic, technical skills, knowledge and training necessary to succeed in their future careers. The CTE provider will be a supportive resource for CTE participants. CTE provider will provide financial resources to clients engaged in CTE programming, including hourly/monthly pay for their participation, tuition payment/reimbursement, and barrier removal, e.g., cover cost of books, supplies, child care, etc.	\$ 2,000,000	SOW is being developed.
Adult Residential Multi-Service Center	Residential Program that will have wrap-around services on site and help transition individuals from incarceration, to stability to community.	\$ 2,000,000	SOW is being developed.
Faith-Based/Local Community Partnerships	This line item is intended to acknowledge, provide support and build the capacity of those smaller organizations that are already doing the work, not for organizations to start a service.	\$ 1,000,000	SOW is being developed.
Women/Mother's Services	Utilizing an evidence-based model for women's services. Program in development.	\$ 1,000,000	SOW is being developed.
Transition Aged Youth Services/Support	A CBO to serve as a subject-matter expert on TAY (18-25) services between the adult and juvenile service system.	\$ 1,000,000	SOW is being developed.
LGBTQ Services and Resources	Develop programming and a list of resources for the LGBTQ+ community.	\$ 100,000	SOW is being developed.
Restorative Justice Circles for Adults	The vision of restorative practices is to create a world where all people are cared about, valued, seen, and heard. Restorative practices are evidence-based processes that represent a lasting cultural shift, offering an approach to building safe and effective environments through positive relationships, connection, and accountability. Restorative Justice is about the interconnectivity of all of us – all CBO's and partners must work in collaboration – only then can we create the fundamental changes in people, in our relationships and in our communities.	\$ 1,000,000	SOW is being developed.
Father Services	To encourage and support fathers and father figures to be meaningfully engaged with their children and families and to assist father in strengthening their parenting skills by offering parenting classes, peer support and connections to father friendly supportive services. 4 elements: (1) Supplement existing resources with funding for childcare, housing, etc.; (2) System navigation/advocate; (3) Create or support spaces that help fathers express themselves and get emotional support; and (4) One-stop shop event with on-site, system-wide engagement, barrier removal, awareness and connections to services/resources.	\$ 250,000	SOW is being developed.
Prison Pre-Release Planning and Case Management	Reentry service navigation is important to ensure clients have a successful transition from incarceration to Probation supervision in the community and subsequent discharge from Probation. This service will provide Reentry service specialists with knowledge of a wide range of reentry services to help guide clients to services and programs that match their individual.	\$ 1,000,000	SOW is being developed.

AB 109 Contracts in Development - August 2022

Item	Description/Summary	AB 109 Allocation	Update
Evidenced-Based Practices Capacity Building Workshops	Capacity building for smaller organizations (similar to the CCF) who are working with the reentry population but have never received County funding or very little, under \$100,000.	\$ 500,000	SOW is being developed.
Opioid and Alcohol Use Prevention Programs	Program in development.	\$ 500,000	These funds will be blended with federal funding to develop and implement a community-based residential substance use treatment and wrap-around reentry and recovery support program.
