Section 1: Requesting Funding for a New Idea

Addressed in the Logic Model

A logic model from the Programs and Services Workgroup may be attached in lieu of answering the following questions:

- What part of the AB 109 population do you propose to serve? (For example: unhoused individuals, clients disengaged from Probation services etc.)
- Which client needs are being addressed? (For example: housing, employment, substance abuse etc.)
- What are the objectives and benchmarks for success of the proposed program/activity?
- What are the resources and activities required by an organization to make the program successful? (For example: staffing, development of workshops etc.)
- How will Probation Officers inform clients about the program/activity?
- If referrals don't come from Probation, how will clients be informed of the program/activity?

Background Research

- Is the initiative evidence-based or a promising new idea?
- If this is an evidence-based program, what does the research say about it?
- If there is existing research, was the research done on a population similar to the population the program anticipates serving?
- Is Probation funding any similar activities?
- If Probation is funding similar activities, what is unique about this program/activity, why is it necessary?
- Lived experience can often provide a layer of knowledge often not captured by traditional research methods. Please provide any anecdotal knowledge based upon lived experiences that contributes to or strengthens your proposed program/activity.

Fiscal Impact

- What is the total proposed budget for this program/activity?

Section 2: Request to Renew or Extend an Existing Contract
