

## **Application to Serve on Alameda County's Community Advisory Board**

Thank you for your interest in applying to serve as a member of Alameda County's Community Advisory Board (CAB). To serve on the CAB you must either live or work

The CAB is designed to ensure that the community has a voice in realignment and re-entry policy. The CAB advises and make recommendations to Alameda County's Community Corrections Partnership Executive Committee (CCPEC) by providing input on community needs; assessing implementation of the Realignment plan; reviewing data on Realignment outcomes; advising the CCPEC on community engagement strategies; offering recommendations for ongoing Realignment and reentry planning; reviewing all Realignment and reentry-related budget proposals and allocations; and encouraging outcomes that are consistent with the County's Realignment and Reentry Plan.

The CAB shall consist of fifteen members who live and/or work in Alameda County. Each Alameda County Board of Supervisor may appoint up to three CAB members to serve on the CAB; at least one of the three must be formerly incarcerated.

Please Note:

- CAB members are subject to the conflict of interest rules in Government Code §1090, which generally prohibits them from participating in the making of a contract in which the CAB member has a direct or indirect financial interest.
- This application will be made available to the public upon request. Your personal contact information will be redacted as permitted by law.
- \*For the purpose of this application, we are defining formerly incarcerated as being incarcerated for at least 30 consecutive days, not necessarily with a conviction.
