

Annual Allocation Recommendations

Fiscal Year 2023-2024

Community Corrections Partnership Executive Committee
March 17, 2023

In 2014, the Alameda County Board of Supervisors dedicated 50% of the AB 109-funding received from the state to local Community Based Organizations. That funding is used to contract with local CBO's that provide resources and programs that address a client's risk and needs and promote safety for the community and success for the participant. Today's recommendations are programs that require additional funding for the 23/24 fiscal year.

FISCAL YEAR 23/24 RECOMMENDATIONS

CAB Notetaker	\$900
CAB Web-Based Application	\$400
ACPD Housing	\$10,000,000
Probation Client Support	\$300,000
Sex Offender Treatment	\$550,000
Transportation	\$1,000,000

Total Fiscal Year 23/24 CBO Investment: \$11,851,300

COMMUNITY ADVISORY BOARD NOTETAKER

Purpose

The CAB has found it hard to fill the role of Secretary because no one wanted to take on the responsibility of recording the minutes. As a result, the CAB recommended paying a system-impacted person to serve as a Notetaker during CAB meetings. This solution will ensure the CAB has comprehensive meeting minutes while helping the system impacted individual obtain job skills and build up his or her resume.

The CAB notetaker receives a \$75 stipend per meeting for taking the minutes for the CAB. The CAB secretary is the current CAB notetaker.

CCPEC approved on 4/1/2021

Request

\$75 per meeting x 12 meetings per year = \$900

COMMUNITY ADVISORY BOARD APPLICATION

Purpose

In December of 2013, the Alameda County Board of Supervisors (CAB) established the CAB in an effort to ensure a "community voice" on matters relating to Realignment and reentry in Alameda County. The CAB is a 15-member advisory board with a minimum of five formerly incarcerated members. In order to join the board, applicants must fill-out an application and submit it to their respective Supervisor's office.

In order to apply to join the CAB, respective applicants had to retrieve a fillable PDF from Probation's website, fill it out (either

electronically or by hand), then attach it to an email to send it to their District. The CAB has received numerous reports of potential applicants having trouble accessing the CAB application.

As a potential solution, the CAB requested a web-based form replace their PDF-based CAB application. Utilizing a web-based application eased access to the CAB application by simplifying and streamlining the process.

The amount requested covers the monthly cost of utilizing the web-based application.

CCPEC approved 5/17/2021

Recommended Allocation

\$30 + tax per month x 12 months per year = \$400

ACPD MANAGED HOUSING

Housing Program Overview

LAO's Care Campus

LAO Family Community Development, Inc.

LAO's Care Campus is a transitional housing program with wraparound services including case management to help clients find permanent housing as well as address other possible needs such as employment, substance abuse, and education where applicable. Re-arrested/Violated	0

Service Utilization Data. July 2022 through Dec. 2022

TRANSPORTATION

Program Overview

Current Providers:

- Bonafide
- Safe Landing: Roots Community Health Center

At release from prison, transportation represents a basic critical need for individuals. The “Ride to Reentry” program offers safe and reliable transportation to individuals who require it. Bonafide provides warm handoff transportation from prison.

Transportation from Santa Rita Jail also represents a basic critical need for individuals. The “Safe Landing” program offers safe and reliable transportation to and from Dublin Bart, Oakland and Santa Rita Jail for individuals who require it. The program also provides an on-site safe landing center for supportive services.

In addition the allocation supporting the current transportation providers, this allocation will allow transportation to and from the CORE to be stood up once CORE is up and running later this calendar year.

Recommendation

Allocate \$1,000,000 to cover transportation related expenses for Realignment clientele through fiscal year 23/24.

AB 109 Allocations

Contingency Funding

Fiscal Year 2023-2024

Community Corrections Partnership Executive Committee
March 17, 2023

Alameda County Probation Department has been working diligently to revamp our current programming and stand up new programming to enhance data collection efforts and move to making AB 109-funded services intentionally collaborative and holistic. It is clear that more funding may be needed for the following programs. Rather than asking for that funding now, we will be coming back to this group mid-year after the services are stood up to request additional funding if needed. Although this funding has not yet been allocated, please note that it will likely be needed to allow our new program to reach it's full capacity in order to fulfill the visions of this committee and the goals of the CCP.

Cognitive Behavior Interventions

\$500,000

Employment

\$3,000,000

Pre-Release Services

\$2,000,000
