1. **Call to Order** – Chief Ford called the meeting to order at 1:08 PM.
2. **Public Comment on Any Item Listed Below as for “Discussion” Only** – There were no public comments.
3. **Review and adoption of the CCPEC’s May Meeting Minutes** (Discussion and Action)
 - A. **Motion:** Chief Jennings moved to approve the May 18, 2026, CCPEC Meeting Minutes as written. Ms. Brown seconded the motion. **The motion carried.** [Yes: Ford, Brown, Jennings. Abstain: Garcia, Louis, Tribble]
4. **Community Outreach Event Sponsorship Applications** (Discussion and Action) – Janene Grigsby
 - A. An overview was provided of the CCPEC Event Sponsorship Program. The Sponsorship supports single events held in Alameda County that directly impact Alameda County residents and support the Realignment community. Events must support the Community Corrections Partnership’s Generational Health and Generational Wealth goals and comply with County procurement requirements. Applicants may receive up to \$10,000 per event, up to two times per year, and an impact report is required after the event.
 - B. The following CAB-approved applications were presented to the CCPEC:
 - a. [Built Here Oakland: Oakland Entrepreneur Retreat](#)

- b. [Restoring Our Communities \(ROC\): 10th Anniversary](#)
 - c. [Beacon of Light Momentum Foundation: Predictable Pathway Workshop](#)
 - d. [Alternative 2 Incarceration: Finisher Program](#)
 - e. [Lulu's House: Lulu's House Job Fair](#)
 - f. [Building Opportunities for Self-Sufficiency \(BOSS\): Wellness and Career Event](#)
 - g. [Tiamat Outpatient Services: Pathway to Reentry Resource Fair](#)
 - h. [Urban Cities Healing Strategies: October Healing Event](#)
 - i. [Urban Cities Healing Strategies: November Healing Event](#)
 - j. [B.A.S.I.C. Ministry: Second Chance Success Summit](#)
 - k. [Serenity House: Community Health and Wellness Event](#)
- C. Discussion
- a. A question was raised about whether there are metrics to measure the success or outcomes of the event. It was highlighted that this is a pilot program and is intended to be "very low barrier" for providers to participate. Organizations are required to submit an impact report after their event. Several staff and CAB members also attend the events and take pictures for documentation.
 - b. Questions were raised regarding the higher administrative-cost percentages for Built Here Oakland and Lulu's House. Representatives explained that the amounts included honorariums, facilitators, speakers, filmmakers, navigators, and other event-related roles rather than regular staff salaries.
- D. **Motion**
- a. Chief Ford moved to approve all the CCPEC Outreach Event Sponsorship applications. Chief Jennings seconded the motion. **The motion carried.** [Yes: Ford, Garcia, Louis, Brown, Jennings, Tribble]

5. Workgroup Updates

- A. Fiscal and Procurement (Discussion) – Shauna Conner, Designee for Brian Ford
 - a. Establishment of the Fiscal and Procurement Workgroup Role and Purpose Statement (Discussion)
 - i. The workgroup updated its statement of purpose based on questions received from the Process and Evaluation Workgroup. The updated statement reflects the workgroup's current role, including review of funding requests, fiscal accountability, transparency, community engagement, and alignment with CCPEC priorities and goals.
 - ii. It was clarified that some of the responsibilities contained in the 2016 document are now performed by individual agencies or through other processes. The Agenda Item Review process was added.
 - b. [Allocations Spreadsheet Overview](#) (Discussion) – Janene Grigsby
 - i. Total available AB 109 funding = \$22,111,994
 - ii. Total available if funding request is approved = \$ 21,660,044
 - c. [Funding Request: Alameda County Reentry Court Services](#) (Discussion and Action) – Janene Grigsby and Gavin O'Neill
 - i. Request to approve \$451,950 to extend Reentry Court Services for two additional years.
 - ii. Discussion
 - a) The Reentry Court serves a high-risk, high-needs AB 109 population, including individuals on PRCS following violations related to addiction or mental health issues and individuals on felony probation who have been charged with a new felony.
 - b) The program served 42 participants during the past fiscal year. Presenters reported that referrals increased substantially after the program began serving the felony-probation population and that the court is currently operating at or above its intended capacity of approximately 30 participants.

- c) Recidivism analysis included 44 participants with sufficient follow-up time. Presenters reported that 84% had a conviction or no-contest disposition in the five years before program entry compared with 36% after program entry; 75% had fewer conviction cases after entry, and 68% of participants with prior felony conviction activity had no post-entry felony conviction activity.
- d) A committee member expressed support for the proposal while emphasizing the need to avoid funding programs “in isolation” and to make a “concerted effort to be better coordinated across our system.” Presenters described coordination with Probation, Behavioral Health, BOSS, La Familia, BACS, housing and employment services, and other partners, as well as efforts to improve data sharing, develop public-facing annual reports, and build a cross-court data collection tool.
- e) Presenters stated that the current CBO case-management contract is with Telecare Corporation and that a new RFP would be issued for the next contract. The current CCP funding runs through December 31, 2026, and the team expects sufficient time to complete the RFP process for services beginning January 1.
- f) A question on capacity was raised. Presenters stated that the funding request maintains current capacity rather than increasing it; adding significant capacity would require another case manager and a new collaborative court team.

iii. Motion

- a) Chief Ford moved to approve the request of \$451,950 to extend Reentry Court Services for two additional years. Aundrea Brown seconded the motion. **The motion carried.** [Yes: Ford, Garcia, Louis, Brown, Jennings, Tribble]
- d. Contracts Update (Discussion) – Gina Temporal
 - i. The AB 109 Mental Health and Wellness RFP through Alameda County Behavioral Health resulted in three awarded contracts that had recently been approved by the Board of Supervisors.
 - ii. RFPs in development include the Housing Pathways Program, AB 109 Evaluation, and Domestic Violence/Batterers Intervention Reimbursement Program.
 - iii. Staff noted that Family Reunification is expected to return for additional funding before the next annual allocation.
- e. AB 109 CBO Designation Account Update (Discussion) – Connie Soriano
 - i. FY 23/24 Transportation (Line #17) – Bonafide No Cost Contract extension 3/31/27 (BOS Approved on 06/02/2026)
 - ii. FY 26/27 Community Advisory Board (Line #6,8,9,11) – \$21,820 added to commitments (BOS approved on 6/02/2026)
 - iii. FY 26/27 CCP Subcommittee Meeting Meals (Line #13) – \$3,600 added to commitments (BOS approved on 06/02/2026)
 - iv. FY 26/27 Housing – Annual Allocation (Line #20) - \$3,201,578 moved from commitments to actual (BOS approved on 06/16/2026)
- B. Process and Evaluation (Discussion) – Aundrea Brown, Designee for Brendon Woods
 - a. The workgroup met on July 1, 2026. Members reviewed a draft mission statement, continued work on the toolkit intended to reduce barriers for nonprofit staff with lived experience accessing clients at Santa Rita Jail, and continued discussion of restorative justice practices versus principles.
 - b. A further presentation regarding the toolkit is planned for September. The workgroup will continue discussion of restorative justice at its next meeting.
- C. Programs and Services (Discussion) – Corrine Lee and Faris Wallace, Designees for Brian Ford
 - a. The workgroup had not met since the previous CCPEC meeting. The next meeting was announced for August 4, 2026, from 12:30 PM to 2:30 PM.
 - b. The August meeting will focus on engagement points and peer mentoring, including a potential peer mentoring program that had previously been earmarked for funding.

6. Community Advisory Board Updates (Discussion) – Douglas Butler

- A. CAB is planning a retreat and will work on “innovative, creative ways to give a greater presence to the community where people know what CAB represents and how it functions.”
- B. Mr. Butler noted that several sponsorship applications presented during the meeting resulted from CAB outreach and that CAB screens organizations based on their work in the community and ability to produce tangible results.

7. Community Corrections Partnership (CCP) Updates (Discussion) – Janene Grigsby

- A. The Generational Health and Generational Wealth subcommittees have been working for approximately one year. Joseph Bell, the inaugural lived-experience chair for Generational Health, is resigning, and Crystal Butler will take over that chair position. Additional changes to government-partner chairs may also occur.
- B. The subcommittees are co-chaired by one government partner, one person with lived experience, and one youth. The work of the subcommittees will continue as chair assignments change.

8. Announcements:

- A. The next CCPEC meeting will be held on Monday, September 21, 2026, from 1:00 PM to 5:00 PM at 1111 Jackson Street, 2nd Floor, Room 226, Oakland, CA.

9. Public comment on any item not listed on the agenda and within the jurisdiction of the CCPEC

- A. A community member asked how to apply for the remaining available AB 109 funds. The Chair responded that RFPs are released through the GSA’s contracting process. Staff is happy to detail the process offline.
- B. Free World, an AI-native nonprofit organization that helps place justice-impacted populations into living-wage careers, is entirely free and serves anyone with a criminal record, regardless of how long ago the record occurred and is looking for opportunities to partner with the County to support its existing work and recruit participants.

10. Adjournment

- A. The meeting was adjourned at 2:57 PM.
