

To Whom It May Concern,

My name is Jama~~k~~ and I am currently a OJT at dig deep farms. Since working at the Hub I have met new people who has taught me social skills, to be better and ^a friendly person. Because of this job I have been able to focus on what is important to me, which is my family as well as staying on the right path (staying out of jail). This job has taught me to have better communication skills and the morning Hurdles gives me motivation to keep pushing. I appreciate my job
