

Dear to whom It may concern

Digdeep farms has helped me get my life back on track. I was in the trouble with alot of different areas in my life. this has gave me a purpose im actually willing to help. My mother has alot of health issue and she always want me to be a doctor so im feeling acomplished on a small note because I get to bring her medicine and food. But I get alot of help from this job on another note because my boss helps me when it comes to the challenge of coming to work. I
