1. **Call to order and Introductions** – The meeting was called to order at 3:07 pm.
2. **Public Comment on Any Item Listed Below as for "Discussion" only** – There were no public comments.
3. **Review and Adoption of July 7, 2026 Meeting Minutes** (Discussion & Action)
   A. The review and adoption of the July 7, 2026 meeting minutes was deferred until the co-chair returns.
4. **Allocations Spreadsheet Overview** (Discussion) – Janene Grigsby
   A. Total available AB 109 CBO funding = $ 22,111,994 (Line 96, Column S)
   B. Total remaining after potential funding request = $ 12,111,994 (Line 103, Column S)
5. **Funding Requests:**
   A. Alameda County Health, Housing and Homelessness Services' Realignment Housing Program (Discussion & Action) – Jeannette Rodriguez
      a. GSA currently administers the procurement and contracting of the Realignment Housing Program (RHP). However, GSA cannot transfer contract authority to H&H without terminating the existing contracts. H&H is requesting CCPEC approval to transition contract administration from GSA to the H&H vendor pool beginning January 1, 2027, with no changes to existing funding and allocations. This transition will benefit RHP providers by allowing greater contracting flexibility for budget shifts and amendments, streamlining the process, and ensuring no break in services or impacts to clients.
      b. A clarifying question was raised and it was clarified that the transition would not affect how referrals are made, and that the vendor pool is managed by Alameda County Health, Housing and Homelessness Services and is separate from the housing pool managed by Probation.
      c. **Action:** The request to transition the Realignment Housing Program contracts from GSA to the Alameda County Health, Housing and Homelessness Services vendor pool was approved to move forward to the Community Corrections Partnership Executive Committee (CCPEC).
   B. Alameda County Probation Department's Housing Pathways Program (Discussion & Action) – Corrine Lee and Gina Temporal
      a. This item was removed and will be rescheduled for another time.
   C. Alameda County Health's Safe Landing Transportation Shuttle Bus (Discussion & Action) – Juan Taizan
      a. ACPD has been funding Safe Landing transportation services from Santa Rita Jail (SRJ) to Dublin BART and a location in Oakland. These services are scheduled to end in December 2026. ACBHD currently

manages the Safe Landing project in partnership with Roots, providing immediate assistance and engaging individuals upon release from SRJ. The requested funding will allow ACBHD to amend its existing contract with Roots and continue transportation services through the end of the fiscal year.

b. It was previously determined that the Safe Landing transportation model would be revisited, during which duplication of transportation services between ACBHD and ACPD was identified. By transitioning to a model managed by one agency under one contract, transportation needs and the impacts of other reentry initiatives can be evaluated more comprehensively. ACBHD is expected to rebid the Safe Landing program in the next fiscal year, using the additional information gathered through this transition to better assess transportation needs and service delivery.

c. **Action:** The request for $360,000 to continue Safe Landing Transportation services from January 1 to June 30, 2027 was approved to move forward to the CCPEC.

6. **Contracts Update** (Discussion) – Gina Temporal

A. The following RFPs are in development:
   a. Housing Pathways Program
   b. AB 109 Evaluation Services
   c. Domestic Violence/Batter's Intervention and Reimbursement Program
   d. Faith-Based/Local Community Partnerships: Fund Administrator for the Local Impact Funding Initiative.
   e. The first three RFPs are nearly ready for posting; however, they will be delayed due to AB 339 and HR review.

B. The new Mental Health and Wellness Program is scheduled to go live October 1, 2026. The program includes:
   a. Triage Consultation and Wellness Response (TCWRT), *Felton Institute* – will serve as the first line for Probation referrals involving mental health needs, reconnect clients to prior providers, triage clients to clinical services, and provide wellness response at ACPD offices, AB 109 housing, and CORE sites. They will also manage the specialty provider pool that includes non-traditional therapeutic services, such as pet therapy or wellness retreats.
   b. Clinical Provider Team (CPT), *West Oakland Health Council dba Baywell Health* – will provide therapy and clinical services, regardless of Medi-Cal or insurance, which may be a barrier. Services may be provided for three, six, nine, or up to 12 months before connection to a longer-term provider.
   c. Service Provider Outreach and Training (SPOT), *Family Bridges, Inc.* – described as the "heal the healer team," which will support AB 109 providers in preventing vicarious trauma, provide healing interventions after incidents, host vigils, and offer community wellness services.

7. **AB 109 Reconciliation: Designation Account Update** (Discussion) – Connie Soriano

A. FY 22/23 Employment (Line #11) $6,000,000 moved from Commitments to Actuals (BOS approved 7/14/2026). No funds were added as this is an extension of the current amount for employment services.
