July 17, 2024

Presented by Deputy Chief Dante Cercone

Brian Ford, Chief Probation Officer (A)

JJCPA & YOBG

- Government Code Section 30061 and Welfare and Institutions Code Section 1961, as amended by AB 1998 (Ch. 880, Statutes of 2016), combined and establish the planning and reporting requirements under the **Juvenile Justice Crime Prevention Act (JJCPA)** and the **Youthful Offender Block Grant (YOBG)** programs.

JJCPA and YOBG

- The **JJCPA** program provides state funding for counties to implement programs that have proven effective in reducing crime and delinquency among at-risk youth and youthful offenders.
- The **YOBG** program provides state funding for counties to deliver custody and care (i.e., appropriate rehabilitative and supervisory services) to youthful offenders who previously would have been committed to the California Department of Corrections & Rehabilitation, Division of Juvenile Justice.

JJCPA & YOBG

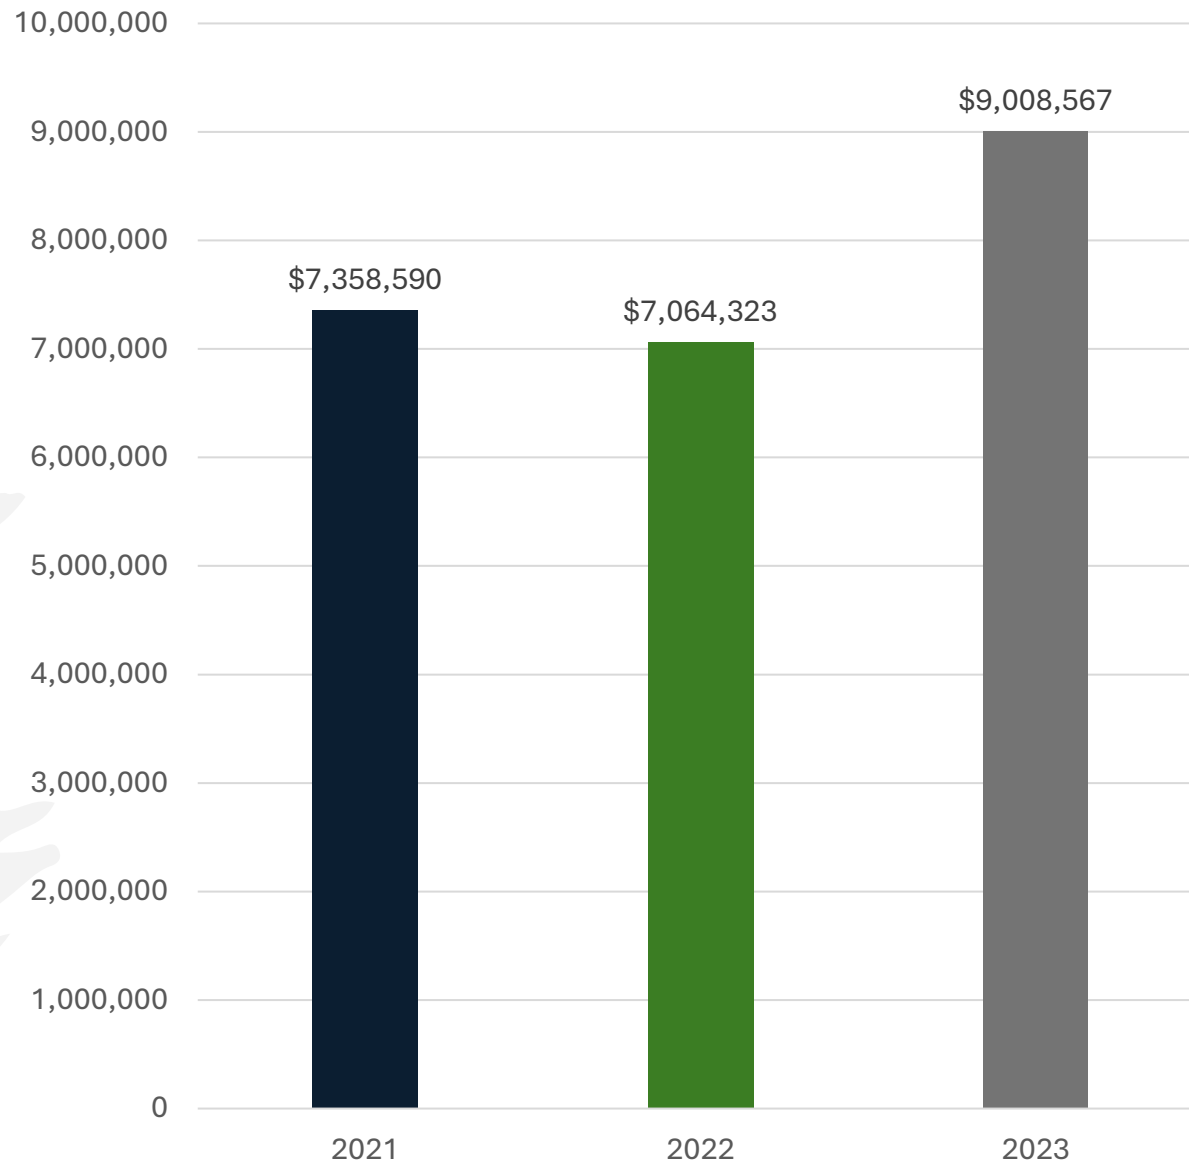

- An annual JJCPA and YOBG combined plan is developed that describes all programs, placements, strategies, services, and system enhancements that will be supported with JJCPA and/or YOBG funds in the upcoming fiscal year.
- An annual year-end expenditure and data report for JJCPA and YOBG is developed that describes programs, placements, services and system enhancements that were funded through either program during the preceding fiscal year, including identification of any programs that were co-funded by JJCPA and YOBG.

JJCPA & YOBS

- Government Code Section §§ 30061(b)(4) specifies that the county's Juvenile Justice Coordinating Council (JJCC) shall review and update the JJCPA component of the plan annually. The JJCC is the entity that develops these JJCPA components. The YOBS component of the plan is not required to be developed by the JJCC.
