

Program Description: This housing program is being set up to support adults in the Realignment community who need help with housing. Through the program participants can receive access to immediate emergency housing, safe transitional housing, skill-building programming, and personalized support. The program focuses on fostering generational sufficiency by providing life skills workshops, financial assistance, and building and connecting clients to safe, long-term, community-based housing resources.

Target Population Who We Invest In	Inputs/Resources What We Invest	Activities What We Do	Outputs/Participation Who We Reach	Outcomes Short to Long-Term Results
