

Community Benefit Fund

Programs & Services Workgroup

AUGUST 22, 2024

Overview

The Community Benefit Fund is a grant initiative **designed to support** small organizations and local non-profits **committed to enhancing** the lives of individuals within the Realignment community. This program offers funding of up to \$2,500 to cover specific expenses related to events, special projects, or activities that directly benefit and engage the Realignment population.

Purpose

The goal of the Community Benefit Fund is to empower grassroots organizations and community-based entities by providing financial resources to implement impactful initiatives. By supporting these organizations, **the fund aims to foster community engagement, promote personal development, and address the unique needs of the Realignment population.**
