Statement of Purpose:

The Community Corrections Partnership (CCP) consists of several government and community stakeholders. The CCP utilizes focused subcommittees and is tasked with developing and maintaining a County-wide strategic reentry plan. The Substance Use Services subcommittee addresses the intersection between substance use and system involvement. This subcommittee aims to improve health outcomes of system-impacted individuals, increase access to appropriate substance use treatment, and enhance supports and supportive services.

Substance Use Services CCP Subcommittee Meeting Agenda

1. Welcome, Introductions, & Updates
2. Setting Intention: CCP Purpose and Priorities
3. Old Business
 - a. Review 6 goals discussed in June meeting
 - i. Goal: Expanding inmate services that can be activated and utilized; establish a framework for better communication between in-custody individuals and their families regarding services they are receiving (eligible to receive), as well as connected services family can receive in the community
 - ii. Goal: Dedicated channels of communication for internal provider to external referral/provider. Include family in transitional services and external linkages

- iii. Goal: Address siloed services and increase information sharing and knowledge about services/options available
 - iv. Goal: Ensure specialists are involved in street teams and ongoing outreach efforts to cross-educate clients, community, and other stakeholders
 - v. Goal: Expand housing options, consider housing for fathers with children and teenage children
 - vi. Goal: Look at and expand family service models such as Al-Anon
- 4. New Business
 - a. Prioritize top 3 FY22/23 priorities based on goals discussed
- 5. Next Steps
 - a. August meeting – System mapping of County-wide SUD services
- 6. Adjournment
